

COLLEGE OF BUSINESS AND INDUSTRY  
ACADEMIC OPERATING POLICY AND PROCEDURE

COBI-AOP NUMBER: 23.13

SUBJECT: Time Limit for Ph.D. Program

DATE: May 4, 2000

**DESCRIPTION OF POLICY:**

The student must complete the Ph.D. program within eight years of initial entry.

**DESCRIPTION OF PROCESS FOR CHANGING POLICY:**

The aspect of this policy within University standards are subject to majority vote by the College of Business and Industry Graduate Faculty.

**DESCRIPTION OF RELATED PROCEDURE:**

This requirement is checked by the Office of Graduate Studies in Business and students that exceed the time limit may be terminated from the program for unsatisfactory progress. The Dean of College of Business and Industry may approve an exception to this time limit based on a written request from the Director of Graduate Studies in Business.

**REVIEW OF POLICY/PROCEDURE:**

This COBI-AOP will be reviewed at least every five years by the Graduate Policies Committee at the request of the Graduate Director with request for revision presented to the College of Business and Industry Graduate Faculty.
