

MSU INSURANCE DAY
April 3-4, 2019

MISSISSIPPI STATE UNIVERSITY™
RISK MANAGEMENT & INSURANCE

MSU I-DAY 2019

**REGISTER
T  DAY**

Since 1940, Mississippi State University have been committed to ensuring that the insurance industry is supplied with educated, intelligent, and hardworking Risk Management & Insurance Graduates. Housed in the Finance & Economic Department, the RMI Program at MSU strives to provide our students with education through classroom instruction and practical experience.

Our RMI Program includes 8 classes which focus on a wide array of risk management and insurance topics, including a summer internship program. In addition, our students also have the option to attend several insurance conferences and symposiums annually. These conferences help to expose our students to the industry by giving them the opportunity to network with industry professionals and attend career fairs with companies from across the country and world.

Our students also have the ability to earn portions of the Chartered Property and Casualty Underwriter designation as well as portions of the Certified Insurance Counselor designation. If you would like more information on the Risk Management and Insurance Program at Mississippi State, please contact us.

Seth Pounds, RMI Director
